the line can between the property of the Davis company and the Logging company in northern Wisconsin. It was claimed in the original tract that the government line between the sections is out of place. The government urveyor who fixed the line, J. R. Anderson, 76 years old, has been found living on a farm near Dubuque, Iowa. The Davis company got him, and with him a party of prominent surveyors. a. D. Conover and McClellan Dodge, of this city; Capt. Edwards, of Menusia; Boyd, of Esu Claire; Shepard, of Mintota, and Gardner brothers, of Stillrater, with others, who met on the ound and, with the old surveyor, reestablished the line. On their evidence Davis company is confident of a victory on the new trial just granted.
